STATEMENT OF FACT AND POLICY

As authorized by 12 M.R.S.A. Sections 6172 and 6192, the Commissioner of the Maine Department of Marine Resources enacts this emergency DMR Regulation 95.09 T, Closed Area No. 60, Little River, Perry, which closes Little River from its source to a line located one-quarter mile east (downriver) of the U.S. Route 1 bridge. This regulation prohibits the harvest of all filter feeding mollusk shellfish in the closed area.

Department of Marine Resources personnel have examined this area and located waste water discharges in the closed area. Consequently, the harvest of shellfish from the area poses a threat to the public health.
